European Virtual Academy 4 Civil Protection

Starting point

- ▶ Limited exchange at EU level in the training sector
- ▶ Structured cooperation between training centres only at national level
- ▶ Lack of networking between training centres and EU Commission
- ▶ Different interpretation and evaluation of EU courses curricula
- ▶ Courses until now with full physical presence

WWW.EVA4CP.ORG

Starting point

European Virtual Academy 4 Civil Protection

- ▶ Training and communication concept based on a platform
- ▶ E-learning as innovative element in the training sector
- ▶ Time and cost savings
- ▶ Personalized learning conditions/environment
- ▶ Need-based training instead of storage learning
- ▶ Easy to update
