

Alessandro Annunziato
Joint Research Centre
Scientific Officer

Speech

“An Information Model for coordinated Disaster Management in Europe“

Wednesday, October 8th, 11:30-12:00

Education

- Laurea in Nuclear Engineering, University of Rome
- Scientific Officer at Joint Research Centre

Applied Knowledge

- information technologies
- technical and scientific data and documentation management
- web-based systems
- Word, Excel, HTML, C++

Tacit Knowledge

- nuclear reactor safety: PWR, BWR, VVER, RBMK
- computational heat transfer and fluid flow
- nuclear reactor DBA and SA experimental simulation and analysis
- safety code development and assessment
- measurement techniques
